| Article Name               | PathPlus(TM) KNG1 / Kininogen / Bradykinin Antibody (aa1-416) LS-B10750, Unconjugated, Rabbit, Polyclonal                       |
| Biozol Catalog Number      | LS-B10750-50                                                                                                                    |
| Supplier Catalog Number    | LS-B10750-50                                                                                                                    |
| Alternative Catalog Number | LS-B10750-50                                                                                                                    |
| Manufacturer               | LifeSpan Biosciences                                                                                                            |
| Host                       | Rabbit                                                                                                                          |
| Category                   | Antikörper                                                                                                                      |
| Species Reactivity         | Human                                                                                                                           |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of human HMW Kininogen. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                                    |
| Clonality                  | Polyclonal                                                                                                                      |
| Concentration              | 1 mg/ml                                                                                                                         |
| NCBI                       | <a href="#">3827</a>                                                                                                            |
| Purity                     | Immunoaffinity purified                                                                                                         |
| Form                       | 0.1 M Tris, pH 7, 0.1 M Glycine, 10% Glycerol, 0.01% Thimerosal                                                                 |
| Application Notes          | ICC (1:100 - 1:1000), IHC-P (7.5 µg/ml), WB (1:500 - 1:3000)                                                                    |
