## Product Datasheet

### **Human PRLR / Prolactin Receptor Protein (Recombinant His, N-Terminal) (Gln25-Asp234) - LS-G96898 LS-G96898-50**

|                            |                                                                                                  |
|----------------------------|--------------------------------------------------------------------------------------------------|
| Article Name               | Human PRLR / Prolactin Receptor Protein (Recombinant His, N-Terminal) (Gln25-Asp234) - LS-G96898 |
| Biozol Catalog Number      | LS-G96898-50                                                                                     |
| Supplier Catalog Number    | LS-G96898-50                                                                                     |
| Alternative Catalog Number | LS-G96898-50                                                                                     |
| Manufacturer               | LifeSpan Biosciences                                                                             |
| Category                   | Proteine/Peptide                                                                                 |
| Product Description        | Recombinant Human PRL-R, derived from the transfected human HEK293 cells....                     |
| Molecular Weight           | 27 kDa                                                                                           |
| Tag                        | His, N-Terminal                                                                                  |
| NCBI                       | <a href="#">5618</a>                                                                             |
| Source                     | Human                                                                                            |
| Purity                     | Greater than 95% by SDS-PAGE                                                                     |
| Form                       | Lyophilized from a sterile solution in PBS.                                                      |
