| Article Name               | Human NAMPT / Visfatin Protein (Recombinant His, N-Terminal) (Asn2-His491) - LS-G96899                 |
| Biozol Catalog Number      | LS-G96899-250                                                                                          |
| Supplier Catalog Number    | LS-G96899-250                                                                                          |
| Alternative Catalog Number | LS-G96899-250                                                                                          |
| Manufacturer               | LifeSpan Biosciences                                                                                   |
| Category                   | Proteine/Peptide                                                                                       |
| Product Description        | Recombinant human nicotinamide phosphoribosyltransferase/Visfatin/Nampt protein derived from E.coli... |
| Molecular Weight           | 57 kDa                                                                                                 |
| Tag                        | His, N-Terminal                                                                                        |
| NCBI                       | <a href="#">10135</a>                                                                                  |
| Source                     | E. coli                                                                                                |
| Purity                     | Greater than 90% by SDS-PAGE                                                                           |
| Form                       | Sterile solution in Tris-HCl, pH 8.0, 50 mM NaCl.                                                      |
