## Product Datasheet

### Human OCLN / Occludin Protein (Recombinant His, N-Terminal) (Lys266-Thr522) - LS-G96989 LS-G96989-100

|                            |                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------|
| Article Name               | Human OCLN / Occludin Protein (Recombinant His, N-Terminal) (Lys266-Thr522) - LS-G96989 |
| Biozol Catalog Number      | LS-G96989-100                                                                           |
| Supplier Catalog Number    | LS-G96989-100                                                                           |
| Alternative Catalog Number | LS-G96989-100                                                                           |
| Manufacturer               | LifeSpan Biosciences                                                                    |
| Category                   | Proteine/Peptide                                                                        |
| Product Description        | Recombinant human occludin/BLCPMG protein derived from E.coli...                        |
| Molecular Weight           | 37 kDa                                                                                  |
| Tag                        | His, N-Terminal                                                                         |
| NCBI                       | <a href="#">100506658</a>                                                               |
| Source                     | E. coli                                                                                 |
| Purity                     | Greater than 90% by SDS-PAGE                                                            |
| Form                       | Lyophilized from a sterile solution in PBS, pH 7.4.                                     |
