| Alternative Catalog Number | BYT-ORB233902-1,BYT-ORB233902-10,BYT-ORB233902-5                                               |
| Manufacturer               | Biorbyt                                                                                        |
| Category                   | Proteine/Peptide                                                                               |
| Product Description        | Neurokinin B peptide...                                                                        |
| Molecular Weight           | 1326.53                                                                                        |
| Purity                     | > 95%                                                                                          |
| Form                       | Lyophilized powder                                                                             |
| Sequence                   | Asp-D-Pro-His-Asp-Phe-D-Trp-Val-D-Trp-Leu-Nle-NH <sub>2</sub>                                  |
| CAS Number                 | [109212-72-8]                                                                                  |
| Formula                    | C <sub>67</sub> H <sub>87</sub> N <sub>15</sub> O <sub>14</sub>                                |
| Application Notes          | This analog is a selective and competitive antagonist of neurokinin B in the guinea-pig ileum. |
