| Manufacturer               | Biorbyt                                                                                                                  |
| Host                       | Rabbit                                                                                                                   |
| Category                   | Antikörper                                                                                                               |
| Application                | ELISA, WB                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                        |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from the Internal region of human ITGA6. AA range:901-950 |
| Conjugation                | Unconjugated                                                                                                             |
| Product Description        | Rabbit polyclonal antibody to Integrin alpha 6...                                                                        |
| Clonality                  | Polyclonal                                                                                                               |
| Concentration              | 1 mg/ml                                                                                                                  |
| Molecular Weight           | 125                                                                                                                      |
| Buffer                     | PBS with 0.02% sodium azide and 50% glycerol pH 7.4.                                                                     |
