| Article Name               | Anti-Hexokinase II/AP, Rabbit, Polyclonal                              |
| Biozol Catalog Number      | BYT-ORB874048                                                          |
| Supplier Catalog Number    | orb874048                                                              |
| Alternative Catalog Number | BYT-ORB874048-100                                                      |
| Manufacturer               | Biorbyt                                                                |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | ELISA, IHC-Fr, IHC-P, WB                                               |
| Immunogen                  | KLH conjugated synthetic peptide derived from human Hexokinase II/HxK2 |
| Conjugation                | AP                                                                     |
| Product Description        | Anti-Hexokinase II/AP...                                               |
| Clonality                  | Polyclonal                                                             |
| Concentration              | 1mg/ml                                                                 |
| NCBI                       | <a href="#">3099</a>                                                   |
| UniProt                    | <a href="#">P52789</a>                                                 |
| Buffer                     | 0.01M TBS(pH7.4) with 1% rAlbumin, 0.03% Proclin300 and 50% Glycerol.  |
| Form                       | Liquid                                                                 |

|                    |                                                                  |
|--------------------|------------------------------------------------------------------|
| Target             | Hexokinase II                                                    |
| Application Dilute | WB=1:500-2000,IHC-P=1:100-500,IHC-F=1:100-500,ELISA=1:5000-10000 |
