| Article Name               | Recombinant Human XPNPEP3                                                                                                                       |
| Biozol Catalog Number      | BYT-ORB1098853                                                                                                                                  |
| Supplier Catalog Number    | orb1098853                                                                                                                                      |
| Alternative Catalog Number | BYT-ORB1098853-1,BYT-ORB1098853-100,BYT-ORB1098853-200,BYT-ORB1098853-50                                                                        |
| Manufacturer               | Biorbyt                                                                                                                                         |
| Category                   | Proteine/Peptide                                                                                                                                |
| Application                | ELISA, WB                                                                                                                                       |
| Species Reactivity         | Human                                                                                                                                           |
| Product Description        | Recombinant Human XPNPEP3...                                                                                                                    |
| Molecular Weight           | 55.5 kDa                                                                                                                                        |
| UniProt                    | <a href="#">Q9NQH7</a>                                                                                                                          |
| Buffer                     | Lyophilized from a 0.2 µm filtered solution in PBS with 5% trehalose, pH7.4                                                                     |
| Purity                     | Greater than 90% by SDS-PAGE gel analyses                                                                                                       |
| Formula                    | Lyophilized from a 0.2 µm filtered solution in PBS with 5% trehalose, pH7.4                                                                     |
| Application Notes          | Centrifuge the vial at 10,000 rpm for 1 minute, reconstitute at 200 µg/ml in sterile distilled water by gentle pipetting 2-3 times, dont vortex |
