| Category                   | Antikörper                                                                                                |
| Application                | WB                                                                                                        |
| Species Reactivity         | Human, Mouse, Rat                                                                                         |
| Immunogen                  | Recombinant full length protein of human CLCN5                                                            |
| Conjugation                | Unconjugated                                                                                              |
| Product Description        | Rabbit polyclonal antibody to CLCN5...                                                                    |
| Clonality                  | Polyclonal                                                                                                |
| Concentration              | 1mg/mL                                                                                                    |
| UniProt                    | <a href="#">P51795</a>                                                                                    |
| Buffer                     | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide. |
| Application Dilute         | WB (1/500 - 1/2000)                                                                                       |
