| Application                | IHC, WB                                                                                                   |
| Species Reactivity         | Human, Mouse                                                                                              |
| Immunogen                  | Recombinant full length protein of human CENP-C                                                           |
| Conjugation                | Unconjugated                                                                                              |
| Product Description        | Rabbit polyclonal antibody to CENP-C...                                                                   |
| Clonality                  | Polyclonal                                                                                                |
| Concentration              | 1mg/mL                                                                                                    |
| UniProt                    | <a href="#">Q03188</a>                                                                                    |
| Buffer                     | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide. |
| Application Dilute         | WB (1/500 - 1/2000), IH (1/50 - 1/200)                                                                    |
