| Application                | ICC, IHC                                                                                                                                                                                                                                       |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                              |
| Immunogen                  | Fusion protein amino acids 1-66 (extracellular N-terminus) of rat SynDIG4 (accession number Q6MG82) produced recombinantly in E. Coli                                                                                                          |
| Conjugation                | FL490                                                                                                                                                                                                                                          |
| Product Description        | Our Anti-SynDIG4 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone L102/45. It detects human, mouse, and rat SynDIG4, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                     |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                                                      |

|                   |                                      |
|-------------------|--------------------------------------|
| Clone Designation | [L102/45]                            |
| Molecular Weight  | 40 kDa                               |
| UniProt           | <a href="#">Q6MG82</a>               |
| Buffer            | PBS with 0.09% azide                 |
| Purity            | Purified by Protein A chromatography |
| Form              | Purified by Protein A chromatography |
| Target            | SynDIG4                              |
| Antibody Type     | Primary Antibody                     |
