## Product Datasheet

**InVivoMAb anti-mouse PD-L1 (B7-H1), Clone: [10F.9G2(TM)], Rat,  
Monoclonal  
BXC-BE0101-100MG-INDUSTRIAL**

|                            |                                                                                                         |

| Article Name               | InVivoMAb anti-mouse PD-L1 (B7-H1), Clone: [10F.9G2(TM)], Rat, Monoclonal                               |
| Biozol Catalog Number      | BXC-BE0101-100MG-INDUSTRIAL                                                                             |
| Supplier Catalog Number    | BE0101-100MG                                                                                            |
| Alternative Catalog Number | BXC-BE0101-100MG                                                                                        |
| Manufacturer               | Bio X Cell                                                                                              |
| Host                       | Rat                                                                                                     |
| Category                   | Antikörper                                                                                              |
| Species Reactivity         | Mouse                                                                                                   |
| Immunogen                  | Mouse CD274                                                                                             |
| Clonality                  | Monoclonal                                                                                              |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                              |
| Clone Designation          | [10F.9G2(TM)]                                                                                           |
| Molecular Weight           | 150 kDa                                                                                                 |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/24382348" rel="nofollow" target="_blank">24382348</a>          |
| Target                     | PD-L1                                                                                                   |
| Application Notes          | in vivo PD-L1 blockade, Immunofluorescence, Immunohistochemistry (frozen), Flow cytometry, Western blot |
