## Product Datasheet

### **InVivoMAb anti-mouse 4-1BB (CD137), IgG2a, Clone: [3H3], Rat, Monoclonal BXC-BE0239-1MG-INDUSTRIAL**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse 4-1BB (CD137), IgG2a, Clone: [3H3], Rat, Monoclonal             |
| Biozol Catalog Number      | BXC-BE0239-1MG-INDUSTRIAL                                                            |
| Supplier Catalog Number    | BE0239-1MG                                                                           |
| Alternative Catalog Number | BXC-BE0239-1MG                                                                       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Mouse CD137 human Fc fusion protein                                                  |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                           |
| Clone Designation          | [3H3]                                                                                |
| Molecular Weight           | 150 kDa                                                                              |
| Isotype                    | IgG2a                                                                                |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/31105267 target=_blank rel=nofollow>31105267 |
| Target                     | 4-1BB                                                                                |

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Application Notes | in vivo 4-1BB stimulation, in vitro 4-1BB stimulation |
|-------------------|-------------------------------------------------------|
