## Product Datasheet

### **InVivoMAb anti-mouse CD27, Clone: [RM27-3E5], Rat, Monoclonal BXC-BE0348-1MG-INDUSTRIAL**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse CD27, Clone: [RM27-3E5], Rat, Monoclonal                                  |
| Biozol Catalog Number      | BXC-BE0348-1MG-INDUSTRIAL                                                                      |
| Supplier Catalog Number    | BE0348-1MG                                                                                     |
| Alternative Catalog Number | BXC-BE0348-1MG                                                                                 |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Rat                                                                                            |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Mouse                                                                                          |
| Immunogen                  | Mouse CD27-human IgG1 Fc fusion protein                                                        |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                     |
| Clone Designation          | [RM27-3E5]                                                                                     |
| Molecular Weight           | 150 kDa                                                                                        |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/29126798" rel="nofollow" target="_blank">29126798</a> |
| Target                     | CD27                                                                                           |
| Application Notes          | in vivo CD27 stimulation, in vitro CD27 stimulation, Immunoprecipitation, Flow cytometry       |
