## Product Datasheet

### **InVivoMAb anti-mouse LFA-1alpha (CD11a), Clone: [M17/4], Rat, Monoclonal BXC-BE0006-100MG**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse LFA-1alpha (CD11a), Clone: [M17/4], Rat, Monoclonal                       |
| Biozol Catalog Number      | BXC-BE0006-100MG                                                                               |
| Supplier Catalog Number    | BE0006-100MG                                                                                   |
| Alternative Catalog Number | BXC-BE0006-100MG                                                                               |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Rat                                                                                            |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Mouse                                                                                          |
| Immunogen                  | C57BL/6 mouse splenic secondary cytotoxic T cells                                              |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                     |
| Clone Designation          | [M17/4]                                                                                        |
| Molecular Weight           | 150 kDa                                                                                        |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/25968334" rel="nofollow" target="_blank">25968334</a> |
| Target                     | LFA-1alpha                                                                                     |
| Application Notes          | in vivo LFA-1 neutralization, Flow cytometry                                                   |
