| Article Name               | InVivoMAb anti-human CD47, Clone: [B6.H12], Mouse, Monoclonal                                                               |
| Biozol Catalog Number      | BXC-BE0019-1-1MG                                                                                                            |
| Supplier Catalog Number    | BE0019-1-1MG                                                                                                                |
| Alternative Catalog Number | BXC-BE0019-1-1MG                                                                                                            |
| Manufacturer               | Bio X Cell                                                                                                                  |
| Host                       | Mouse                                                                                                                       |
| Category                   | Antikörper                                                                                                                  |
| Species Reactivity         | Human                                                                                                                       |
| Immunogen                  | Intact CD47 purified from placenta                                                                                          |
| Clonality                  | Monoclonal                                                                                                                  |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                                                  |
| Clone Designation          | [B6.H12]                                                                                                                    |
| Molecular Weight           | 150 kDa                                                                                                                     |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/28514441" rel="nofollow" target="_blank">28514441</a>                              |
| Target                     | CD47                                                                                                                        |
| Application Notes          | in vitro CD47 neutralization, in vivo CD47 neutralization in human tumor xenograft models or humanized mice, Flow cytometry |
