## Product Datasheet

### **InVivoMAb anti-mouse CD80 (B7-1), Clone: [1G10], Rat, Monoclonal BXC-BE0134-5MG**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse CD80 (B7-1), Clone: [1G10], Rat, Monoclonal                               |
| Biozol Catalog Number      | BXC-BE0134-5MG                                                                                 |
| Supplier Catalog Number    | BE0134-5MG                                                                                     |
| Alternative Catalog Number | BXC-BE0134-5MG                                                                                 |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Rat                                                                                            |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Mouse                                                                                          |
| Immunogen                  | Dibutyl cAMP-Activated 5C2 cells                                                               |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                     |
| Clone Designation          | [1G10]                                                                                         |
| Molecular Weight           | 150 kDa                                                                                        |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/26461116" rel="nofollow" target="_blank">26461116</a> |
| Target                     | CD80                                                                                           |
| Application Notes          | in vivo CD80 blockade, Affinity chromatography                                                 |
