| Article Name               | InVivoMAb anti-mouse 4-1BB (CD137), Clone: [LOB12.3], Rat, Monoclonal                          |
| Biozol Catalog Number      | BXC-BE0169-5MG                                                                                 |
| Supplier Catalog Number    | BE0169-5MG                                                                                     |
| Alternative Catalog Number | BXC-BE0169-5MG                                                                                 |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Rat                                                                                            |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Mouse                                                                                          |
| Immunogen                  | Mouse CD137 human Fc fusion protein                                                            |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                     |
| Clone Designation          | [LOB12.3]                                                                                      |
| Molecular Weight           | 150 kDa                                                                                        |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/31105267" rel="nofollow" target="_blank">31105267</a> |
| Target                     | 4-1BB                                                                                          |
| Application Notes          | in vivo activation of 4-1BB                                                                    |
