## Product Datasheet

### **InVivoMAb anti-human CTLA-4 (CD152), Clone: [BN13], Mouse, Monoclonal BXC-BE0190-25MG**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-human CTLA-4 (CD152), Clone: [BN13], Mouse, Monoclonal                          |
| Biozol Catalog Number      | BXC-BE0190-25MG                                                                                |
| Supplier Catalog Number    | BE0190-25MG                                                                                    |
| Alternative Catalog Number | BXC-BE0190-25MG                                                                                |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Mouse                                                                                          |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Human                                                                                          |
| Immunogen                  | Human CTLA-4 recombinant protein                                                               |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                     |
| Clone Designation          | [BN13]                                                                                         |
| Molecular Weight           | 150 kDa                                                                                        |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/25637022" rel="nofollow" target="_blank">25637022</a> |
| Target                     | CTLA-4                                                                                         |
| Application Notes          | in vitro CTLA-4 neutralization, Flow cytometry                                                 |
