## Product Datasheet

### High Sensitive ELISA Kit for Interleukin 10 (IL10) USC-HEA056BO

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | High Sensitive ELISA Kit for Interleukin 10 (IL10)                                                   |
| Biozol Catalog Number      | USC-HEA056BO                                                                                         |
| Supplier Catalog Number    | HEA056Bo                                                                                             |
| Alternative Catalog Number | USC-HEA056BO-48,USC-HEA056BO-96                                                                      |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Bovine                                                                                               |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 7.8-500pg/mL                                                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 2.7pg/mL                              |
| UniProt                    | <a href="#">P43480</a>                                                                               |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                                             |
