| Article Name               | Recombinant Natriuretic Peptide Precursor A (NPPA), E. coli                                                   |
| Biozol Catalog Number      | USC-RPA275RA01                                                                                                |
| Supplier Catalog Number    | RPA275Ra01                                                                                                    |
| Alternative Catalog Number | USC-RPA275RA01-10,USC-RPA275RA01-50,USC-RPA275RA01-100,USC-RPA275RA01-200,USC-RPA275RA01-1,USC-RPA275RA01-500 |
| Manufacturer               | Cloud-Clone                                                                                                   |
| Host                       | E. coli                                                                                                       |
| Category                   | Proteine/Peptide                                                                                              |
| Application                | Control, SDS-PAGE, WB                                                                                         |
| Species Reactivity         | Rat                                                                                                           |
| Molecular Weight           | Predicted Molecular Mass(KD): 43.9kDa. Accurate Molecular Mass(KD): 44kDa                                     |
| Tag                        | N-terminal His and GST Tag                                                                                    |
| UniProt                    | <a href="#">P01161</a>                                                                                        |
| Buffer                     | 20mM Tris, 150mM NaCl, pH8.0, containing 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose and Proclin300.           |
| Source                     | Prokaryotic expression                                                                                        |
| Expression System          | Prokaryotic expression                                                                                        |
| Purity                     | > 95%                                                                                                         |
