| Article Name               | Recombinant Apolipoprotein H (APOH), E. coli                                                                  |
| Biozol Catalog Number      | USC-RPA310MU01                                                                                                |
| Supplier Catalog Number    | RPA310Mu01                                                                                                    |
| Alternative Catalog Number | USC-RPA310MU01-10,USC-RPA310MU01-50,USC-RPA310MU01-100,USC-RPA310MU01-200,USC-RPA310MU01-1,USC-RPA310MU01-500 |
| Manufacturer               | Cloud-Clone                                                                                                   |
| Host                       | E. coli                                                                                                       |
| Category                   | Proteine/Peptide                                                                                              |
| Application                | Control, SDS-PAGE, WB                                                                                         |
| Species Reactivity         | Mouse                                                                                                         |
| Molecular Weight           | Predicted Molecular Mass(KD): 37.8kDa. Accurate Molecular Mass(KD): 38kDa                                     |
| Tag                        | N-terminal His Tag                                                                                            |
| UniProt                    | <a href="#">Q01339</a>                                                                                        |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                       |
| Source                     | Prokaryotic expression                                                                                        |
| Expression System          | Prokaryotic expression                                                                                        |
| Purity                     | > 95%                                                                                                         |
