| Article Name               | Recombinant Glucocorticoid Induced Tumor Necrosis Factor Receptor (GITR), E. coli                             |
| Biozol Catalog Number      | USC-RPB662MU01                                                                                                |
| Supplier Catalog Number    | RPB662Mu01                                                                                                    |
| Alternative Catalog Number | USC-RPB662MU01-10,USC-RPB662MU01-50,USC-RPB662MU01-100,USC-RPB662MU01-200,USC-RPB662MU01-1,USC-RPB662MU01-500 |
| Manufacturer               | Cloud-Clone                                                                                                   |
| Host                       | E. coli                                                                                                       |
| Category                   | Proteine/Peptide                                                                                              |
| Application                | Control, SDS-PAGE, WB                                                                                         |
| Species Reactivity         | Mouse                                                                                                         |
| Molecular Weight           | Predicted Molecular Mass(KD): 18.3kDa. Accurate Molecular Mass(KD): 18kDa                                     |
| Tag                        | N-terminal His Tag                                                                                            |
| UniProt                    | <a href="#">O35714</a>                                                                                        |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                       |
| Source                     | Prokaryotic expression                                                                                        |
| Expression System          | Prokaryotic expression                                                                                        |

|        |                     |
|--------|---------------------|
| Purity | > 90%               |
| Form   | Freeze-dried powder |
