| Article Name               | Anti-ELFN1 Antibody, Unconjugated, Polyclonal                                                                                            |
| Biozol Catalog Number      | BYT-ORB1880003                                                                                                                           |
| Supplier Catalog Number    | orb1880003                                                                                                                               |
| Alternative Catalog Number | BYT-ORB1880003-50,BYT-ORB1880003-100,BYT-ORB1880003-200                                                                                  |
| Manufacturer               | Biorbyt                                                                                                                                  |
| Category                   | Antikörper                                                                                                                               |
| Application                | WB                                                                                                                                       |
| Species Reactivity         | Human                                                                                                                                    |
| Immunogen                  | KLH-conjugated synthetic peptide encompassing a sequence within the C-terminal region of human ELFN1. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                                             |
| Product Description        | Rabbit polyclonal antibody to ELFN1...                                                                                                   |
| Clonality                  | Polyclonal                                                                                                                               |
| UniProt                    | <a href="#">P0C7U0</a>                                                                                                                   |
| Form                       | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                |
| Application Dilute         | WB (1/500 - 1/1000)                                                                                                                      |
