## Product Datasheet

### **InVivoSIM anti-human amyloid-beta (Lecanemab Biosimilar), Clone: [Lecanemab], Human, Monoclonal BXC-SIM0032-5MG-INDUSTRIAL**

|                            |                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------|
| Article Name               | InVivoSIM anti-human amyloid-beta (Lecanemab Biosimilar), Clone:<br>[Lecanemab], Human, Monoclonal |
| Biozol Catalog Number      | BXC-SIM0032-5MG-INDUSTRIAL                                                                         |
| Supplier Catalog Number    | SIM0032-5MG                                                                                        |
| Alternative Catalog Number | BXC-SIM0032-5MG                                                                                    |
| Manufacturer               | Bio X Cell                                                                                         |
| Host                       | Human                                                                                              |
| Category                   | Antikörper                                                                                         |
| Species Reactivity         | Human                                                                                              |
| Immunogen                  | Human amyloid-beta                                                                                 |
| Clonality                  | Monoclonal                                                                                         |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                         |
| Clone Designation          | [Lecanemab]                                                                                        |
| Molecular Weight           | 150 kDa                                                                                            |
| Target                     | amyloid-beta                                                                                       |
| Application Notes          | Functional assays                                                                                  |
