## Product Datasheet

### **Polyclonal Rabbit anti-Rat BAFF Receptor / CD268 Antibody (aa21-169, WB) LS-C373935 LS-C373935-2**

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | Polyclonal Rabbit anti-Rat BAFF Receptor / CD268 Antibody (aa21-169, WB) LS-C373935    |
| Biozol Catalog Number      | LS-C373935-2                                                                           |
| Supplier Catalog Number    | LS-C373935-2                                                                           |
| Alternative Catalog Number | LS-C373935-2                                                                           |
| Manufacturer               | LifeSpan Biosciences                                                                   |
| Host                       | Rabbit                                                                                 |
| Category                   | Antikörper                                                                             |
| Species Reactivity         | Rat                                                                                    |
| Immunogen                  | Recombinant BAFFR (Gln21-Lys169)                                                       |
| Conjugation                | Unconjugated                                                                           |
| Clonality                  | Polyclonal                                                                             |
| NCBI                       | <a href="#">115650</a>                                                                 |
| Purity                     | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form                       | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Notes          | WB (1:50 - 1:400)                                                                      |
