## Product Datasheet

### **Polyclonal Rabbit anti-Human AIM / CD5L Antibody (APC,Cy7, aa133-256) LS-C737381 LS-C737381-2**

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | Polyclonal Rabbit anti-Human AIM / CD5L Antibody (APC,Cy7, aa133-256) LS-C737381       |
| Biozol Catalog Number      | LS-C737381-2                                                                           |
| Supplier Catalog Number    | LS-C737381-2                                                                           |
| Alternative Catalog Number | LS-C737381-2                                                                           |
| Manufacturer               | LifeSpan Biosciences                                                                   |
| Host                       | Rabbit                                                                                 |
| Category                   | Antikörper                                                                             |
| Species Reactivity         | Human                                                                                  |
| Immunogen                  | Recombinant CD5L (Pro133-Arg256) expressed in E. coli.                                 |
| Conjugation                | APC/Cy7                                                                                |
| Clonality                  | Polyclonal                                                                             |
| NCBI                       | <a href="#">922</a>                                                                    |
| Purity                     | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form                       | 10mM Tris, 150mM NaCl, pH 8.2, 50% glycerol, 0.05% proclin-300                         |
