| Species Reactivity         | Mouse                                                                                                                        |
| Immunogen                  | Recombinant ANGPTL4 (Thr183-Ile401) expressed in E. coli.                                                                    |
| Conjugation                | PE                                                                                                                           |
| Product Description        | ANGPTL4 antibody LS-C722915 is a PE-conjugated rabbit polyclonal antibody to mouse ANGPTL4 (aa183-401). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                   |
| NCBI                       | <a href="#">51129</a>                                                                                                        |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                |
| Purity                     | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                       |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol |
| Application Dilute | WB                                            |
| Application Notes  | WB                                            |
