| Host                       | Rabbit                                                                                                                          |
| Category                   | Antikörper                                                                                                                      |
| Application                | WB                                                                                                                              |
| Species Reactivity         | Human                                                                                                                           |
| Immunogen                  | Recombinant PYY (Ile31-Trp97) expressed in E. coli.                                                                             |
| Conjugation                | PE                                                                                                                              |
| Product Description        | PYY antibody LS-C723012 is a PE-conjugated rabbit polyclonal antibody to human PYY (Peptide YY) (aa31-97). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                      |
| NCBI                       | <a href="#">5697</a>                                                                                                            |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                   |
| Purity                     | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                          |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol |
| Application Dilute | WB                                            |
| Application Notes  | WB                                            |
