| Species Reactivity         | Rat                                                                                                                         |
| Immunogen                  | Recombinant TPS (Ile29-Pro148) expressed in E. coli.                                                                        |
| Conjugation                | PE                                                                                                                          |
| Product Description        | Tryptase antibody LS-C723024 is a PE-conjugated rabbit polyclonal antibody to rat Tryptase (aa29-148). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                  |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                               |
| Purity                     | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                      |
| Form                       | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                               |
