| Species Reactivity         | Mouse                                                                                                                        |
| Immunogen                  | Recombinant IL12Rb2 (Met285-Gln441) expressed in E. coli.                                                                    |
| Conjugation                | PE                                                                                                                           |
| Product Description        | IL12RB2 antibody LS-C723028 is a PE-conjugated rabbit polyclonal antibody to mouse IL12RB2 (aa285-441). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                   |
| NCBI                       | <a href="#">3595</a>                                                                                                         |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                |
| Purity                     | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                       |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol |
| Application Dilute | WB                                            |
| Application Notes  | WB                                            |
