| Host                       | Rabbit                                                                                                                                          |
| Category                   | Antikörper                                                                                                                                      |
| Application                | WB                                                                                                                                              |
| Species Reactivity         | Mouse                                                                                                                                           |
| Immunogen                  | Recombinant TNFRSF10B (Pro54-Lys180) expressed in E. coli.                                                                                      |
| Conjugation                | APC/Cy7                                                                                                                                         |
| Product Description        | DR5 antibody LS-C731451 is an APC, Cy7-conjugated rabbit polyclonal antibody to mouse DR5 (TNFRSF10B / Killer) (aa54-180). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                                      |
| NCBI                       | <a href="#">8795</a>                                                                                                                            |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                                   |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
