| Species Reactivity         | Human                                                                                                                                                     |
| Immunogen                  | Recombinant SIGLEC1 (Gly34-Gly240) expressed in E. coli.                                                                                                  |
| Conjugation                | HRP                                                                                                                                                       |
| Product Description        | Sialoadhesin antibody LS-C708757 is an HRP-conjugated rabbit polyclonal antibody to human Sialoadhesin (SIGLEC1 / CD169) (aa34-240). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                                                |
| NCBI                       | <a href="#">6614</a>                                                                                                                                      |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                                             |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
