## Product Datasheet

### **InVivoMAb anti-mouse CD86 (B7-2), Clone: [2D10], Rat, Monoclonal BXC-BE0422-25MG-INDUSTRIAL**

|                            |                                                                                    |
|----------------------------|------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse CD86 (B7-2), Clone: [2D10], Rat, Monoclonal                   |
| Biozol Catalog Number      | BXC-BE0422-25MG-INDUSTRIAL                                                         |
| Supplier Catalog Number    | BE0422-25MG                                                                        |
| Alternative Catalog Number | BXC-BE0422-25MG                                                                    |
| Manufacturer               | Bio X Cell                                                                         |
| Host                       | Rat                                                                                |
| Category                   | Antikörper                                                                         |
| Species Reactivity         | Mouse                                                                              |
| Immunogen                  | Mouse B cell lymphoma cell line 5C2                                                |
| Clonality                  | Monoclonal                                                                         |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                         |
| Clone Designation          | [2D10]                                                                             |
| Molecular Weight           | 150 kDa                                                                            |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/7510738 target=_blank rel=nofollow>7510738 |
| Target                     | CD86                                                                               |
| Application Notes          | Immunoprecipitation, Flow cytometry, Functional assays,                            |
