| Article Name               | LAMP3 Polyclonal Antibody, Cy5 Conjugated, Rabbit                                                       |
| Biozol Catalog Number      | BSS-BS-2556R-CY5                                                                                        |
| Supplier Catalog Number    | BS-2556R-CY5                                                                                            |
| Alternative Catalog Number | BSS-BS-2556R-CY5-100,BSS-BS-2556R-CY5-20                                                                |
| Manufacturer               | Bioss                                                                                                   |
| Host                       | Rabbit                                                                                                  |
| Category                   | Antikörper                                                                                              |
| Application                | IF, WB                                                                                                  |
| Species Reactivity         | Human                                                                                                   |
| Immunogen                  | 301-416/416                                                                                             |
| Conjugation                | Cy5                                                                                                     |
| Product Description        | May play a role in dendritic cell function and in adaptive immunity....                                 |
| Clonality                  | Polyclonal                                                                                              |
| Concentration              | 1ug/ul                                                                                                  |
| NCBI                       | <a href="#">27074</a>                                                                                   |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.03% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human LAMP-3                                              |
| Purity                     | Purified by Protein A.                                                                                  |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Target             | LAMP3                                                                       |
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
