| Article Name               | GATAD2B Antibody, Unconjugated, Rabbit, Polyclonal                                                       |
| Biozol Catalog Number      | PRS-27-753                                                                                               |
| Supplier Catalog Number    | 27-753                                                                                                   |
| Alternative Catalog Number | PRS-27-753-100                                                                                           |
| Manufacturer               | ProSci                                                                                                   |
| Host                       | Rabbit                                                                                                   |
| Category                   | Antikörper                                                                                               |
| Application                | ELISA, WB                                                                                                |
| Species Reactivity         | Human, Mouse                                                                                             |
| Immunogen                  | Antibody produced in rabbits immunized with a synthetic peptide corresponding a region of human GATAD2B. |
| Conjugation                | Unconjugated                                                                                             |
| Clonality                  | Polyclonal                                                                                               |
| Concentration              | batch dependent                                                                                          |
| Molecular Weight           | 65 kDa                                                                                                   |
| NCBI                       | <a href="#">57459</a>                                                                                    |
| UniProt                    | <a href="#">Q8WXI9</a>                                                                                   |
| Buffer                     | Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                |

|                    |                                                                                                                                                                                                                                            |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                                                                                                                     |
| Application Dilute | Optimal dilutions for each application to be determined by the researcher.                                                                                                                                                                 |
| Application Notes  | GATAD2B antibody can be used for detection of GATAD2B by ELISA at 1:12500. GATAD2B antibody can be used for detection of GATAD2B by western blot at 0.5 µg/mL, and HRP conjugated secondary antibody should be diluted 1:50,000 - 100,000. |
