## Product Datasheet

### Hepatitis B virus surface Ag. Recombinant Protein PRS-53-318

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| Article Name               | Hepatitis B virus surface Ag. Recombinant Protein                             |
| Biozol Catalog Number      | PRS-53-318                                                                    |
| Supplier Catalog Number    | 53-318                                                                        |
| Alternative Catalog Number | PRS-53-318-0.01                                                               |
| Manufacturer               | ProSci                                                                        |
| Category                   | Proteine/Peptide                                                              |
| Application                | ELISA, WB                                                                     |
| Concentration              | batch dependent                                                               |
| Molecular Weight           | 24 kDa                                                                        |
| Buffer                     | PBS, pH 7.2                                                                   |
| Source                     | S. cerevisiae                                                                 |
| Purity                     | ~ 95% by SDS-PAGE                                                             |
| Form                       | liquid                                                                        |
| Application Notes          | This recombinant protein can be used for WB and ELISA. For research use only. |
