| Article Name               | IL-33 Recombinant Protein                                                                 |
| Biozol Catalog Number      | PRS-90-048                                                                                |
| Supplier Catalog Number    | 90-048                                                                                    |
| Alternative Catalog Number | PRS-90-048-50                                                                             |
| Manufacturer               | ProSci                                                                                    |
| Category                   | Proteine/Peptide                                                                          |
| NCBI                       | <a href="#">77125</a>                                                                     |
| UniProt                    | <a href="#">O95760</a>                                                                    |
| Buffer                     | 0.2um-filtered solution in 55mM TRIS-Cl, pH 8.2, containing 150mM NaCl.                   |
| Source                     | E. coli                                                                                   |
| Purity                     | >90% (SDS-PAGE). Endotoxin level is less than 1EU/ µg purified protein (LAL test, Lonza). |
| Form                       | Liquid                                                                                    |
| Application Notes          | This recombinant proteins is for research use only.                                       |
