| Article Name               | Syntenin-1 Recombinant Protein                                                                                                                    |
| Biozol Catalog Number      | PRS-92-175                                                                                                                                        |
| Supplier Catalog Number    | 92-175                                                                                                                                            |
| Alternative Catalog Number | PRS-92-175-0.05                                                                                                                                   |
| Manufacturer               | ProSci                                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                                  |
| Molecular Weight           | 33.5 kD                                                                                                                                           |
| NCBI                       | <a href="#">6386</a>                                                                                                                              |
| UniProt                    | <a href="#">O00560</a>                                                                                                                            |
| Buffer                     | Supplied as a 0.2 um filtered solution of 20mM PB,150mM NaCl,pH7.4. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Source                     | E. coli                                                                                                                                           |
| Purity                     | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.               |
| Form                       | Liquid                                                                                                                                            |
| Application Notes          | This recombinant protein can be used for biological assays. For research use only.                                                                |
