| Alternative Catalog Number | PRS-92-722-0.05                                                                                                                                                                     |
| Manufacturer               | ProSci                                                                                                                                                                              |
| Category                   | Proteine/Peptide                                                                                                                                                                    |
| Molecular Weight           | 14.3 kD                                                                                                                                                                             |
| NCBI                       | <a href="#">1493</a>                                                                                                                                                                |
| UniProt                    | <a href="#">P16410</a>                                                                                                                                                              |
| Buffer                     | Lyophilized from a 0.2 um filtered solution of PBS, pH7.4. It is not recommended to reconstitute to a concentration less than 100 ug/ml. Dissolve the lyophilized protein in ddH2O. |
| Source                     | Human cells                                                                                                                                                                         |
| Purity                     | Greater than 95% as determined by reducing SDS-PAGE.<br>Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                                                   |
| Form                       | Lyophilized                                                                                                                                                                         |
| Application Notes          | This recombinant protein can be used for biological assays. For research use only.                                                                                                  |
