| Alternative Catalog Number | TGM-FR16745-1ML, TGM-FR16745-500MG                                                            |
| Manufacturer               | TargetMol                                                                                     |
| Category                   | Biochemikalien                                                                                |
| Product Description        | 4-Hydroxybenzyl cyanide (4-Hydroxyphenylacetonitrile) shows strong antioxidative activity.... |
| Molecular Weight           | 133.15                                                                                        |
| CAS Number                 | [14191-95-8]                                                                                  |
| Formula                    | C8H7NO                                                                                        |
| Target                     | 4-Hydroxyphenylacetonitrile                                                                   |
