| Species Reactivity         | Gallus                                                                                                                                                                                                                                                        |
| Product Description        | Chicken C Reactive Protein (CRP) ELISA Kit for detecting CRP in serum, plasma, other biological fluids. Species Reactivity: Chicken (Gallus). Detection Range: 0.312-20ng/ml. Sensitivity: 0.134ng/ml. Format: 96-Well Plate. Assay Type: Double-antibody ... |
| Range                      | 0.312-20ng/ml                                                                                                                                                                                                                                                 |
| Sensitivity                | 0.134ng/ml                                                                                                                                                                                                                                                    |
