| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Product Description        | Human Inter Alpha-Globulin Inhibitor H4 (ITIH4) ELISA Kit for detecting ITIH4 in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Human (Homo sapiens). Detection Range: 0.39-25ng/m... |
| Range                      | 0.39-25ng/ml                                                                                                                                                                                                                                                  |
| Sensitivity                | 0.17ng/ml                                                                                                                                                                                                                                                     |
| NCBI                       | <a href="#">3700</a>                                                                                                                                                                                                                                          |
| Form                       | 96-Well Plate                                                                                                                                                                                                                                                 |
| Samples                    | Serum, Plasma, Tissue Homogenates, Cell Lysates, Cell Culture Supernates, Other Biological Fluids                                                                                                                                                             |
| Target                     | Inter Alpha-Globulin Inhibitor H4 (ITIH4)                                                                                                                                                                                                                     |
