| Product Description        | Human Glutamate Receptor, Ionotropic, N-Methyl-D-Aspartate 2B (GRIN2B) Anti-antigen ELISA Kit for detecting GRIN2B in serum, plasma, other biological fluids. Species Reactivity: Human (Homo sapiens). Detection Range: 3.12-200ng/ml. Sensitivity: 1.23n... |
| Range                      | 3.12-200ng/ml                                                                                                                                                                                                                                                 |
| Sensitivity                | 1.23ng/ml                                                                                                                                                                                                                                                     |
