| Conjugation                | Unconjugated                                                                                                                                                                                                                                                  |
| Product Description        | Recombinant Pig Glutathione S Transferase Pi (GSTp) is a purified Prokaryotic Protein. Purity: >97% by SDS-PAGE. Host: E. coli. Endotoxin Level: <1.0EU per 1ug, by the LAL method. Species: Pig (Sus scrofa, Porcine). Target Name: Glutathione S Transfe... |
| Molecular Weight           | 27kDa                                                                                                                                                                                                                                                         |
| Tag                        | N-Terminal His Tag                                                                                                                                                                                                                                            |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 5% Trehalose.                                                                                                                                                                                                               |
| Expression System          | Prokaryotic Expression                                                                                                                                                                                                                                        |

|        |                                     |
|--------|-------------------------------------|
| Purity | >97% by SDS-PAGE                    |
| Form   | Freeze-dried powder                 |
| Target | Glutathione S Transferase Pi (GSTp) |
