## Product Datasheet

### MBD6 Rabbit pAb, Unconjugated, Polyclonal ABB-A20148

|                            |                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | MBD6 Rabbit pAb, Unconjugated, Polyclonal                                                                                                  |
| Biozol Catalog Number      | ABB-A20148                                                                                                                                 |
| Supplier Catalog Number    | A20148                                                                                                                                     |
| Alternative Catalog Number | ABB-A20148-20UL, ABB-A20148-100UL, ABB-A20148-1000UL, ABB-A20148-500UL                                                                     |
| Manufacturer               | ABclonal                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                 |
| Application                | ELISA, WB                                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                      |
| Immunogen                  | Recombinant protein (or fragment). This information is considered to be commercially sensitive.                                            |
| Conjugation                | Unconjugated                                                                                                                               |
| Product Description        | Enables chromatin binding activity. Located in chromocenter, fibrillar center, and nucleoplasm. Implicated in autism spectrum disorder.... |
| Clonality                  | Polyclonal                                                                                                                                 |
| Molecular Weight           | 101kDa                                                                                                                                     |
| NCBI                       | <a href="#">114785</a>                                                                                                                     |
| UniProt                    | <a href="#">Q96DN6</a>                                                                                                                     |

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Purity             | Affinity purification                                                                                                                               |

| Target             | MBD6                                                                                                                                                |
| Antibody Type      | Primary Antibody                                                                                                                                    |
| Application Dilute | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes  | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics<br>Nuclear Signaling. Shipping: Ice Bag                                                |
