| Manufacturer               | Abnova                                                                                                                  |
| Category                   | Antikörper                                                                                                              |
| Application                | ELISA, WB                                                                                                               |
| Species Reactivity         | Gallus                                                                                                                  |
| Immunogen                  | Recombinant Fc region of chicken IgY                                                                                    |
| Conjugation                | Unconjugated                                                                                                            |
| Product Description        | Alpaca VHH recombinant monoclonal antibody raised against chicken IgY....                                               |
| Buffer                     | In 10 mM PBS, pH 7.5 (0.05% sucrose, 0.1% trehalose, 0.01% proclin 300, 50% glycerol)                                   |
| Form                       | Liquid                                                                                                                  |
| Application Dilute         | ELISA (1:10000-1:50000)Western Blot (1:10000-1:50000)The optimal working dilution should be determined by the end user. |
