| Article Name               | Rabbit IgG kappa VHH recombinant monoclonal antibody (HRP)                                                                       |
| Biozol Catalog Number      | ABN-RAB07219                                                                                                                     |
| Supplier Catalog Number    | RAB07219                                                                                                                         |
| Alternative Catalog Number | ABN-RAB07219-100                                                                                                                 |
| Manufacturer               | Abnova                                                                                                                           |
| Category                   | Antikörper                                                                                                                       |
| Application                | ELISA, WB                                                                                                                        |
| Species Reactivity         | Rabbit                                                                                                                           |
| Immunogen                  | A synthetic peptide corresponding to Rabbit IgG kappa chain fragment.                                                            |
| Conjugation                | HRP                                                                                                                              |
| Product Description        | Alpaca VHH recombinant monoclonal antibody raised against rabbit IgG. The antibody is conjugated with horseradish peroxidase.... |
| Buffer                     | In 10 mM PBS, pH 7.5 (0.05% sucrose, 0.1% trehalose, 0.01% proclin 300, 50% glycerol)                                            |
| Form                       | Liquid                                                                                                                           |
| Application Dilute         | ELISA (1:5000-1:20000) Western Blot (1:5000-1:20000) The optimal working dilution should be determined by the end user.          |
