## Product Datasheet

### **CD99 monoclonal antibody, clone SPM596, Clone: [SPM596], Mouse, Monoclonal ABN-MAB13112**

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | CD99 monoclonal antibody, clone SPM596, Clone: [SPM596], Mouse, Monoclonal      |
| Biozol Catalog Number      | ABN-MAB13112                                                                    |
| Supplier Catalog Number    | MAB13112                                                                        |
| Alternative Catalog Number | ABN-MAB13112-100                                                                |
| Manufacturer               | Abnova                                                                          |
| Host                       | Mouse                                                                           |
| Category                   | Antikörper                                                                      |
| Application                | FC, IF, IHC-P                                                                   |
| Species Reactivity         | Human                                                                           |
| Immunogen                  | Recombinant protein corresponding to full length human CD99.                    |
| Product Description        | Mouse monoclonal antibody raised against full length recombinant human CD99.... |
| Clonality                  | Monoclonal                                                                      |
| Clone Designation          | [SPM596]                                                                        |
| UniProt                    | 4267                                                                            |
| Buffer                     | In 10 mM PBS.                                                                   |
| Form                       | Liquid                                                                          |

|                    |                                                                                                                                                                                                                                             |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | CD99                                                                                                                                                                                                                                        |
| Application Dilute | Flow Cytometry (0.5-1 ug/10 <sup>6</sup> cells in 0.1 mL)Immunofluorescence (0.5-1 ug/mL)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1-2 ug/mL)The optimal working dilution should be determined by the end user. |
