| Article Name               | NEFH/NEFL monoclonal antibody, clone SPM145, IgG1, Clone: [SPM145], Mouse, Monoclonal |
| Biozol Catalog Number      | ABN-MAB13211                                                                          |
| Supplier Catalog Number    | MAB13211                                                                              |
| Alternative Catalog Number | ABN-MAB13211-100                                                                      |
| Manufacturer               | Abnova                                                                                |
| Host                       | Mouse                                                                                 |
| Category                   | Antikörper                                                                            |
| Application                | FC, IHC-P                                                                             |
| Species Reactivity         | Human                                                                                 |
| Immunogen                  | Semi-purified NEFH/NEFL from human spinal cord.                                       |
| Product Description        | Mouse monoclonal antibody raised against native human NEFH/NEFL....                   |
| Clonality                  | Monoclonal                                                                            |
| Clone Designation          | [SPM145]                                                                              |
| Isotype                    | IgG1                                                                                  |
| UniProt                    | 4747, 4744                                                                            |
| Buffer                     | In 10 mM PBS (0.05% BSA, 0.05% sodium azide).                                         |

|                    |                                                                                                                                                                                                                  |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                                                                                           |
| Target             | NEFH                                                                                                                                                                                                             |
| Application Dilute | Flow Cytometry (0.5-1 ug/10 <sup>6</sup> cells in 0.1 mL)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (0.25-0.5 ug/mL)The optimal working dilution should be determined by the end user. |
